

Shop on-line and support Queen of Angels Catholic School

www.marketamerica.com/queenofangels is up and running! This is a brand new on-line shopping site that benefits our school while you merely shop for the things you are already buying! With 35 million products and services, this site should have just about anything and everything you are currently buying. Follow the above link, register as a customer, and make it your home page! **Be sure you are on the Queen of Angels site BEFORE registering as a customer.**

You receive 2-4% cash back on your purchases, depending on the store, just for shopping through the site! **You** also receive 1/2% cash back on purchases by anyone you personally refer to the site! Many stores also have special offers, deals, free shipping, and other incentives.

So . . . **You** get cash back while supporting Queen of Angels School. The potential is here for our school to raise a lot of money. But, all of us need to support and promote the site. The web site has a feature that allows you to easily invite other people to shop there (when they do, **they** receive 2% cash back, **you** receive 1/2% cash back on their purchases and **our school** still receives the same royalties). So, tell your family and friends about it.

What will you find when you get there?

Many Market America-branded products (Health & Nutrition, Anti-aging, Cosmetics, Skin Care, Auto Care, Pet Care, Household products).
