

Queen of Angels Community Partners Program

Queen of Angels is dedicated to helping each child reach their full spiritual, academic, social, emotional and physical potential. We instill in our students a lifelong love of learning, an honorable character and a willingness to serve.

Community partners are vital to our mission. They enhance the quality and impact of our service learning projects. We work together with our partner to increase awareness of important issues.

Community Partner for Communication \$15,000

- **Naming of TV Studio**
- **Major Sponsor of Queen of Angels Dinner Auction**
- **Recognition on Website and Social Media**

Good communication builds a team that surrounds and supports students so they can succeed. From infrastructure and wiring upgrades, closed circuit broadcasting, classroom monitors and signage, with the help of a communications partner students can deliver and receive message to and from the school community and beyond!

Community partner for Sustainability \$10,000

- **Logo on Nature Journals**
- **Plaque outside Science Lab**
- **Corporate Sponsor of Queen of Angels Dinner Auction**
- **Recognition on Website and Social Media**

How does Queen of Angels and our campus withstand the test of time? A sustainability partner would fund the completion of our outdoor classroom, enhancement of nature journals, education projects surrounding water runoff, erosion and weather patterns and their impact on our school surroundings and the building itself. Microscopes and chemistry lab equipment are also a part of this project.

Community Partner for Green Workspace \$7,500

- **Logo on Outdoor Classroom**
- **Logo on reusable water bottles**
- **Corporate Sponsor of Queen of Angels Dinner Auction**
- **Recognition on Website and Social Media**

Going green means a partner who helps us to make improvements to the learning environment that encourage civic participation, community collaboration and other ways of bringing residents together for the well-being of the community. Donations support the development of our facility that enhance energy efficiency and reduce environmental impact. Reusable water bottles, air quality meters, composting and green cleaning are all part of this initiative.

Community Partner for Enhanced Learning Environment \$5,000

- **Logo inside/outside STEM Lab**
- **Corporate Sponsor of Queen of Angels Dinner Auction**
- **Recognition on Website and Social Media**

The learning environment consists of all those physical-sensory elements such as lighting, color, sound, space, furniture, and so on that characterize the place in which a student is expected to learn. We are looking for several community partners to help us design space so that learning may proceed with minimum stress and maximum effectiveness. New

physical layouts should accommodate scheduled activities, allow for people's sense of personal space, and promote desirable patterns of social interaction and communication.

Community Partner for Infrastructure ANY AMOUNT

- **Recognition at Queen of Angels Dinner Auction**
- **Recognition on Website and Social Media**

Queen of Angels is grateful for community partners who support our infrastructure costs including upgrades to school buildings, classrooms, playgrounds and libraries are the most important aspect of school infrastructure. Spacious and refurbished buildings and well-ventilated classrooms are a must in schools.
