Christmas blessings from Queen of Angels Catholic School,

Thanks to you, 200 students are receiving a Catholic education. On behalf of them, thank you for being our BLESSING! With your help Queen of Angels continues to be able to educate students in the Catholic faith, in a family-centered environment. As the season of giving approaches, we ask that you consider making a tax-deductible year-end gift to Queen of Angels Catholic School.

Your financial gift directly supports our students, teachers, and the long-term financial stability of Queen of Angels, ensuring its accessibility and affordability to the students from 6 school districts. This past year alone, your generosity has allowed us to carry out our important work in the following ways:

- Purchase necessary technology and classroom resources to allow our students to be socially distanced, while remaining in the classroom five days a week
- Offer tuition assistance to over 75% percent of our school families, so that they can attend Queen of Angels
- Hire additional faculty members to help with socially distanced classrooms and increased enrollment

Your generous support will help Queen of Angels Catholic School continue to provide a values-based education in an environment of academic excellence. During this joyous season please remember the students, teachers, and staff at Queen of Angels Catholic Schools in your prayers and year-end giving. There are multiple ways to donate to Queen of Angels during his season of giving:

1. You may make a monetary gift online

As we close out the 2020 calendar year, at Queen of Angels Catholic School, we ask that you remember the words of St. Francis of Assisi, “For it is in giving that we receive”. We assure you, we commit to being good stewards with the gifts received and in return equip for our community students to be leaders with good hearts and discerning spirits as they pursue truth, academic excellence and service to humanity for their future as faith-filled leaders.

Merry Christmas and many blessings in the New Year,

Christina Torok
Director of Development
Dear Friend of Queen of Angels

For this year’s, Year End Giving Campaign Queen of Angels Catholic School is seeking funding to enhance our school’s active learning studio. Our school is seeking funding to purchase classroom resources that will allow all our students to have the best possible educational experience, while maintaining our school’s value centered approach to education. Queen of Angels will use these funds to purchase supplies and equipment, which will be designed for project-based learning, collaboration, and meaningful interaction with technology. Queen of Angels believes that the transformation of our antiquated library space into an innovative studio will give our students an advantage in terms of creativity, critical thinking, and reasoning in the classroom and workplace.

Donations made are tax-deductible and can be made in the form of one-time gifts or monthly installments, and corporate matching gifts. For your convenience, consider returning the form below or make an immediate donation online at [https://www.queenofangelssch.org/giving/Pages/Donate.aspx](https://www.queenofangelssch.org/giving/Pages/Donate.aspx)

Every gift, no matter the amount, is a blessing.
