

Queen of Angels Catholic School

Introduces New Part-Time Enrollment Option

For the 2019-2020 School Year

Are you looking for more opportunities for your home-educated child?

Queen of Angels Catholic School is proud to offer part-time enrollment options for interested students to take one or more classes, or extracurricular activities for the 2019-2020 school year. Queen of Angels School recognizes parents as the primary educators of their children and acknowledges the incredible success parents have had providing a solid home school education for their children. Therefore, our school seeks to offer additional/supplemental opportunities for middle school students and extracurricular opportunities for elementary school students.

- K-5th grade may register for special classes (Physical Education, Art, Computer, Music, Spanish)
- 6th-8th grade may register for core classes (Math, Science, Social Studies) and special classes.
- Participating students would be eligible to participate in all school related functions- such as dances, field trips and team activities.

We would love to have your child be a part of our school family. We welcome you to tour our school or have your student spend the day shadowing one of our classes to see why so many families make this important investment in the education and faith of their children.

For more information about our school, please contact our school office at 724-978-0144

PART-TIME ENROLLMENT COURSES

PART-TIME ENROLLMENT COURSES

Please note that this information is general in nature. Specific class schedules, which provide meeting days and times, are available after July 30th.

Please refer all inquiries to the school office at 724-978-0144.

POLICIES AND PROCEDURES

Homeschool students can get involved in Queen of Angels School in a variety of ways, including taking classes on the campus and/or participating in extra-curricular activities. The following policies and procedures apply to homeschool students who choose to get involved at Queen of Angels Catholic School:

1. Before scheduling is determined, each family must meet with the principal.
2. A non-refundable Registration Fee of \$25.00 is required.
3. School standards for attendance, tardiness, and discipline apply.
4. Participation in field studies and other special events are tied to specific courses.
5. Fees are paid in full in advance or by the first day of each semester. Fees are non-refundable after the semester has begun.
6. Specific course schedules may be obtained from the school office
7. Typically, regular class periods last 40 minutes and occur every day over the entire year.
8. Typically, extra-curricular classes last 40 minutes and occur once a week over the entire year.
9. The student must provide standard supplies.
10. Student dress code:

- Boys: navy blue or khaki slacks (no jeans) and red or blue polo shirt with school logo (ask about community room)
- Girls: navy blue or plaid skirt or navy or khaki slacks (no jeans) and a red or blue polo shirt with school logo (ask about community room)
- Boys and girls at all levels may wear blue or red sweaters (cardigan or V-neck pullover).
- If a student is registered for a physical education class a gym uniform will need to be purchased.
