

!! ATTENTION !!

**Revised Procedures for Arrival and Dismissal
To begin Monday the 14th**

Please enter at the top of the bridge drive only!
(coming in from Rt 30 or Hahntown-Wendell Road)
PreK must come in only after all buses and K-8 cars are gone.

Please take the drive up to the top parking lot and follow the natural turn-around pathway. Teachers will be located at the **Auxiliary Gym Door** to greet you and take your child's temperature. As part of our safety plan, you need to get your child out of the car or the child may exit on their own.

At dismissal, have your family name card posted on your visor for visibility.

Your child and a staff member will meet you outside your car door. Buckle the seat belts as quickly as possible. **Please do not pass another car!!!!.** Patience is a virtue :) And long lines mean that God has blessed us with good enrollment numbers!

*Morning Class: The door will be open from 8:05-8:20 a.m.
Afternoon class: The door will be open from 11:55-12:05 p.m.
Dismissal times : 10:30 a.m. and 2:15p.m.
Late arrivals, please park and walk to the front entrance.*

These procedures have been revisited with consideration for child safety, adult health concerns and traffic pattern consistency.

Please remember:

As per mandated guidelines, minimal contact and limited transference between home and school is in effect. Check email blasts and website regularly for school information.
