

Queen of Angels Pre-K

!! ATTENTION !!

*Please enter at the top of the bridge drive only.*

(From Rt 30 or Hahntown Wendel Road)

PreK must come in only AFTER all buses and K-8 cars are gone.

Follow the drive under the bridge to the **Bus Door Entrance**. A staff member will be there to greet you and take your child's temperature. **As part of our required safety plan**, you need to get your child out of the car or the child may exit on their own. Your child will then be assisted into the building where they will wash hands and enter their classroom to be met by their teacher.

**At dismissal**, please pick up your child at your car door and buckle them in as quickly as possible to allow for a steadier traffic flow.

**Keep your family name card posted on your visor. Please do not pass another car!!!!.** Patience is a virtue :)

And long lines mean that God has blessed us with good enrollment numbers!

*Morning Class: The door will be open from 8:05-8:20 a.m.*

*Afternoon class: The door will be open from 11:55- 12:10p.m.*

*Dismissal times : 10:30 a.m. and 2:15p.m.*

*Late arrivals, please park in top lot by the gym and walk to the front entrance.*

These procedures have been made with consideration for child safety, adult health concerns and traffic pattern consistency in mind.

Please remember:

As per mandated guidelines, minimal contact and limited transference between home and school is in effect.

*Please check email blasts and website regularly for school information.*
