Principal Notes

Dear Guardian Families,

It's hard to believe that we've already reached the month of November! It truly is a month filled with gratitude and thanksgiving, one that provides us all with the opportunity to reflect on the many blessings in our lives. I include the privilege of being a part of our wonderful school community and spending my days with your children as some of my blessings. I know that I speak for all of us at QofA when I say how very grateful we are for the continued support, involvement, and trust that you place in us to provide a nurturing, faith-filled environment that helps your children to grow academically, spiritually, and emotionally.

It was wonderful to see you at parent-teacher conferences earlier this week. Conference days are valuable opportunities to strengthen that ever important home-school relationship. Thank you in partnering with us in your child's education.

As the Thanksgiving holiday approaches, please be reminded that Queen of Angels will be closed from Wednesday, November 22-Monday, November 27. We hope you enjoy this time with your family and friends! Wishing you a wonderful and safe November and a Happy Thanksgiving.

Many Blessings,
Mrs. Filak

AG Mobile Lab

In Celebration of Farm to School Month, and with funding from a PA Farm to School grant, Queen of Angles was excited to have the AG Mobile Lab visit our campus last week. This lab on wheels creates a unique opportunity for students to learn about agriculture (Pennsylvania's number one industry) in a fun, hands-on way. Throughout the week K-8th grade students had the opportunity to visit the lab twice and explore various topics including: new developments in the agricultural industry, comparing soybean vs. petroleum crayons, egg candling, the importance of trees, how plants receive nutrients,

investigating plastics made corn vs. petroleum, and making cream from butter. We are grateful to have had the opportunity to have the AG lab visit and we hope that they can come back again soon. Thanks to everyone that volunteered to help make this event possible!

Red Ribbon Week

Queen of Angels was proud to once again join in the celebration of National Red Ribbon Week. This year's theme, "Be Kind To Your Mind. Live Drug Free" was celebrated throughout the week, with students being reminded to be kind to themselves and others.

We are just so grateful; from current Queen of Angels families to alumni, past parents, donors, sponsors, faculty, staff, relatives, and friends near and far, our Queen of Angels community proved that we really do thrive as a community when we all come together to support our wonderful school! We are truly blessed! If you didn't get a chance to participate, but would still like to donate please consider supporting our amazing teachers and making a donation to our Fund-the-Need Campaign.

Thanks so much for your generosity!
