Principal Notes

Dear Guardian Families,

What a wonderful first two weeks of school! It has been such a joy to welcome our students back into the building and see our classrooms and hallways once again filled with learning, laughter, and the energy of our Guardian family.

During these opening weeks, we have been intentional about focusing on **building strong classroom and school-wide communities**. Our teachers and students have spent time establishing routines, practicing procedures, developing classroom promises, and getting to know one another. While these may seem like simple things, they provide an important foundation for the year ahead. When children understand expectations, feel connected to their teachers and classmates, and know that they are valued members of their classroom and school community, they are better prepared to learn, take risks, and grow.

September 11: A Day of Remembrance & Honoring Our Community Heroes

On **September 11**, Queen of Angels will observe a special day of remembrance as we mark **25 years since the events of September 11, 2001**.

Our focus throughout the day will be on **remembrance, service, courage, and the many helpers and heroes who step forward during times of need**. We will begin with an all-school assembly where students will learn a little about the significance of the day and hear some of the stories of the extraordinary helpers and heroes of September 11.

Students will also come together for a special **prayer service** and participate in classroom reflection centered on what it means to be a **helper and a hero** in our own families,

school, and communities.

Please be assured that we are taking great care to ensure that **every part of the day—including our all-school assembly, prayer service, and classroom activities—is appropriate for students at all grade levels**. The messages shared during our school-wide gatherings will focus on themes that all of our students can understand: kindness, courage, helping others, prayer, gratitude, and service. Classroom conversations and activities will then be thoughtfully tailored to the ages and developmental needs of the students in each grade. Our youngest Guardians will experience the day very differently from our middle school students, allowing us to honor the significance of September 11 while ensuring that every child's experience is meaningful and appropriate.

As we move into September, I am grateful for the wonderful start we've had and am excited for all that lies ahead. The fall months are always a special time at Queen of Angels, and we look forward to continuing to learn, grow in faith, build relationships, and create memories together.

Here's to a wonderful September and a beautiful fall ahead!

With gratitude and blessings,
Mrs. Filak

Guardian Pledge

GUARDIAN PLEDGE

I am a child of God and part of the Queen of Angels Family.

TODAY I PROMISE TO:

- Respect others
- Be kind and include everyone
- Take responsibility for my actions
- Help those in need
- Care for God's creation
- Celebrate our differences

Do my best each day

With God's help, I will live these promises. I am proud to be a Queen of Angels student.

Q of A students spent time last week relating our classroom promises to our Catholic beliefs. As part of their work, we developed our new Guardian Pledge. We are so excited to make this pledge part of our daily routine. It's a reminder that when we work together and try to become our best selves, we are really living out God's plan for us.

EITC Program

Did you know that businesses and individuals can REDIRECT your state tax dollars to Queen of Angels? Visit dioceseofgreensburg.org/eitc to complete an inquiry form and learn more!

Let's make a difference together

IT BEGINS WITH YOUR PARTICIPATION

The taxpayer may select the Catholic School(s) in the Diocese of Greensburg to which they would like to make a contribution, in exchange for PA State Tax Credits.

- Minimum contribution

  $1,000

- Individuals must earn enough in state taxable income to participate.
- Business or individual taxpayers receive credits against Pennsylvania State Taxes for **90%** of that amount each year for a two-year commitment.
- The school will receive

  Up to 100%

  of the donor's contribution for tuition assistance in the next school year.

EXAMPLE:
*The Smith family contributed $10,000 through the EITC program, as part of a two year commitment, and receives $9,000 in state tax credits for that fiscal year. The remaining $1,000 may be claimed as a charitable contribution. **Consult your Tax Professional for professional advice**.*

HOW ARE TAXPAYER CONTRIBUTIONS USED?

The Diocese of Greensburg utilizes EITC for **tuition assistance** for students in **grades K-12**. Receiving families must meet financial requirements.

HOW IS FINANCIAL NEED DETERMINED?

Each of the Catholic Schools in the Diocese of Greensburg uses a **third party tuition management** system to evaluate and determine the financial needs of individual families.

CAN A TAXPAYER DESIGNATE A SPECIFIC SCHOOL TO RECEIVE ITS CONTRIBUTION?

Taxpayers may **designate their contribution** to the school of their choice or to the Diocese of Greensburg who will then **allocate their contribution** between two or more schools within the Catholic Schools in the Diocese of Greensburg.
